
How will Carver be successful in 2040?

That is the question the City Council and Planning Commission focused on during their July 20 Joint Session. The goal of this session was to develop the planning principles that will guide the 2040 Comprehensive Plan. Participants brainstormed ideas and the following principles were selected:

- ✓ ***Sense of Community Pride***
- ✓ ***Embrace the River***
- ✓ ***Planning for Access to Carver Commerce***
- ✓ ***Homes for All***
- ✓ ***Connected by Trails***
- ✓ ***Innovative Infrastructure and Planning***
- ✓ ***Long-Term Financial Stewardship***

Stay Informed and Provide Your Ideas!

The City is still in the process of preparing the draft 2040 Comprehensive Plan. Therefore, the City Council and Planning Commission will continue to meet jointly each month to prepare the plan and to consider ideas received. ***The meetings are open to the public so watch the City's website, www.cityofcarver.com, for updates and opportunities to provide your ideas to make Carver a success in 2040!***
