HOW TO READ YOUR CITY OF CARVER WATER BILL

- 1** Account Number
 - Please reference this number when corresponding with us. Your account number changes when you move and receive a final bill.
- 2** Billing Date
- 3** Balance due if payment is made after the due date.
- 4** Due date – please pay your bill by this date.
- 5** Account holder name and address.
- 6** The City of Carver address to remit payments to and Utility Billing phone number.
- 7** Service location and service dates (the date range the bill covers).
- 8** Billing Message
 - Payments received after the due date are not included in the account activity. The applied late fee is included in the account activity.
- 9** Previous Balance
 - The total of the previous bill.
- 10** Total payments received and applied to account between the last billing date and the current billing date.
- 11** Water usage for the Service From dates indicated in #7.
 - The difference between the Current Read (867) and Previous Read (861) is the Usage (6) for the Service From dates. The usage x 1000 = gallons of water used.
- 12** Base Rate
 - Fixed fee for account services such as meter reading, billing, collection, and customer service.
- 13** Sewer Residential/Wastewater
 - Fee is based on the average water usage in January, February, and March.
- 14** Family Storm
 - Fixed fee to aid in the operation, maintenance, and improvements to the storm water system/catch basins, construction and maintenance of underground piping, maintenance of storm water ponds, and so on.
- 15** Current Charges - Total charges for current service period.
- 16** Total Due - Current charges plus previous balance and late fee, if applicable.
